

SECOND ROMANCE DID NOT LAST LONG

Whitworth and Wife, Remarried After Divorce, Separated Again.

WOMAN'S FATHER VIOLENT

Wife Said She Merely Wanted Possession of Children—May Enter Suit.

[Special to The Times-Dispatch.]
ROANOKE, VA., July 10.—The romance of the second marriage of John R. Whitworth to his divorced wife, in Franklin county, was short-lived. The Whitworths were remarried at Rocky Mount on June 28th, after being separated eight years. They came to Roanoke next day and started housekeeping. Two children were left in Franklin county, and it was decided that the wife was to go back and get them. Whitworth took his wife over to Franklin on the 3th of July. Her father, William Ayler, did not want to let her come in, and next morning he met Whitworth with a rock in his hand, declaring that he would brain him, but was persuaded to go in the house. Whitworth's wife then came out and told him that one of the children was ill, and she would not return to Roanoke until the 9th. Yesterday, instead of returning, she sent him a message stating that her only reason for marrying him again was to keep him from entering the children. He is crestfallen over the situation, and says he will sue his father-in-law and also bring suit for the recovery of the children, as this is the second time his wife has deserted him.

NOEL WANTS TO RUN FOR CONGRESS

Not Likely That Present Republican Senator Will Accept Another Nomination.

[Special to The Times-Dispatch.]
GATE CITY, VA., July 10.—The Republicans of the Second Senatorial District, composed of the counties of Lee, Scott and Wise, have called a convention to meet at Big Stone Gap August 10th for the purpose of nominating a candidate for the Senate. It seems to be the impression here that Senator John C. Noel will not stand for renomination, as he is believed to be looking forward to the congressional nomination next year. There is some talk that Commonwealth's Attorney J. Frank Sergeant, of Scott county, may be the nominee. If it is not Mr. Noel or Mr. Sergeant, it is most likely the nominee will come from Wise county. The Republicans of Wise county have made their county nominations by primary, and there seems to be considerable dissatisfaction and talk of independent Republican candidates. Of course, they will whip most of their men back into line, yet this spirit of dissatisfaction will materially weaken them. Here in Scott county it is not probable C. S. Pendleton will have any opposition for renomination for House of Delegates. C. C. Broadwater, a cousin to the present Democratic sheriff, will probably be nominated for sheriff without opposition, although it is known that there are several Republicans who think the party is under obligations to nominate them for the office. There is a warm fight on for the Republican nomination for county treasurer. Those who have announced for the office are W. W. Ramey, W. L. Rollins and A. T. Peterson. There are other aspirants.

FATHER AND SON DIE THE SAME DAY

Davis Family, Near Alexandria, Suffers Double Affliction.

[Special to The Times-Dispatch.]
ALEXANDRIA, VA., July 10.—George Davis, a well-known resident of Occoquan, Va., died yesterday afternoon about 12:30 o'clock at his home at that place, and last night about midnight his son, Earl Davis, also expired. The dual affliction in the Davis family has been the cause of numerous expressions of regret among the neighbors. George Davis was about seventy-one years of age, and a Confederate veteran. For many years he was engaged in a general merchandise business in Washington. He is survived by two daughters. Earl Davis, his son, was about twenty-eight years of age, and besides his widow leaves one child. His son had been in ill health for some time past. About two years ago he was injured in an electric railway wreck in Washington and since that time had been in failing health.

A BROWN NECK

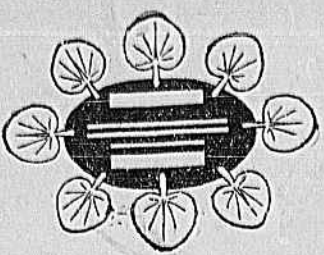

Is embarrassing in summer. Spots in the skin are often caused by friction of collar or clothing—producing excessive pigment in the rete mucosum. This condition is called "Chloasma."

Pond's Extract Soap

penetrates to the deeper skin tissues, keeps all the glands and cells active—keeps them busy building new skin—the only way of throwing off the brown, unsightly spots and streaks. It bathes freely with Pond's Extract Soap—the natural, wholesome, effective way of keeping the skin soft—the color clear and healthy. Its whiteness indicates its purity.

HIT MAN ABOUT FORMER WIFE

Divorced Husband Fined for Assaulting Woman's Companion.

[Special to The Times-Dispatch.]
NORFOLK, VA., July 10.—Charged with assaulting Henry Lettler, a Baltimore drummer, in front of the Lorraine Hotel, on Granby Street, late last night, A. E. Tappan, an employee of the auditing department of the Jamestown Exposition, was today arraigned in Police Court. The case against him was continued until tomorrow, and he was bailed in the sum of \$100, with C. G. Wall as surety. When the assault occurred Lettler was walking with the former Mrs. Tappan. She was only recently divorced on the ground of cruel treatment by her husband. Lettler called on Mrs. Tappan at her home in Ghent. He did not know of Tappan's presence on the street until he had been struck with a stunning blow in the face. Tappan was immediately on top of him and pummeling him before Policeman Griffith could interfere.

High School Not Yet Ready.
[Special to The Times-Dispatch.]
CHATHAM, VA., July 10.—The new building for the Chatham High School, for which the contract was awarded months ago to C. H. Turner & Co., of Lynchburg, for over \$6,500, will not be ready for occupancy at the coming session. Some of the material has been placed on the site, but the bricks are yet to arrive, and the latest from the contractors was that they had been unable to buy the bricks in Lynchburg, but hoped to place their order in Danville, which means, if successful, some time will yet elapse before the building is begun, much to the disappointment of both the faculty and scholars.

Pushing Work on Institute.
[Special to The Times-Dispatch.]
CHATHAM, VA., July 10.—President Pruden, of the Chatham Episcopal Institute, is pushing the contractor for the completion of the new plant of the institution in order to be ready for occupancy by the coming session, which begins about the middle of September. The plastering is yet to be completed, and the painting to be done, but a large force the building can be completed by the time desired, and to this the building committee are bending every effort.

NOTABLE WEDDING AT CLIFTON FORGE

Miss Lallie Lee Carpenter Becomes Bride of Mr. Walter Gardner Kennedy.

EXTENDED EUROPEAN TRIP

Will Sail Saturday—Travel Year in Countries of Old World.

[Special to The Times-Dispatch.]
CLIFTON FORGE, VA., July 10.—At 9 o'clock to-night the handsome residence of Mr. and Mrs. J. C. Carpenter, on Alleghany Street, this city, was the scene of the most brilliant wedding that has ever taken place in this section of the State, when their daughter, Miss Lallie Lee Carpenter, was united in marriage to Mr. Walter Gardner Kennedy, of Boston, Mass. The bridal party entered the parlor, where the ceremony was impressively performed to the strains of the Lohengrin bridal chorus, rendered by Miss Elia M. Smith, and while the words were spoken that made the twin one. Miss Smith played softly Schumann's "Trauermarie." Preceding the ceremony Mrs. W. D. Baker sang very sweetly "I Love You Truly" and "O Perfect Love."

Miss Dora Louise Carpenter, a sister of the bride, was maid of honor. Mr. Robert Carlyle Cochrane, of Boston, best man, Master Irvine Jones and little Miss Dorothy Sentz, ribbon bearers, little Miss Katy Mathews flower girl, and Master William George Mathews, ring bearer. The bride entered the parlor with her father, by whom she was given away, and the groom, with his best man, and in the presence of a brilliant assemblage of invited guests Rev. George E. Davis, pastor of the Clifton Forge Baptist Church, spoke the words that joined them together for life.

The bride was attired in an imported gown of Brussels point lace, mounted on satin and chiffon, white tulle veil, caught with white violets, and carried a shower bouquet of white violets, with crown of pale pink orchids. Her decorations were diamonds. The maid of honor wore a gown of white chiffon embroidered in pink forget-me-not over white taffeta and chiffon and carried pink sweet peas, with streamers of tulle. The little girls were dressed in white chiffon and lace, white kid slippers and half hose, while the little boys were attired in white satin knee pants and silk blouses, white kid pumps and white socks.

The flower-girl carried a French basket of smilax filled with pink and white roses.

Beautiful Decoration.

The room in which the ceremony was performed was decorated in Bride's roses with ropes of smilax, palms and ferns. The alcove in which the bridal couple stood was entirely lined with smilax and thickly sprinkled with tiny electric lights. Above the altar was a love knot of white roses and carnations. On the altar were large cut-glass vases of white roses, among which glowed the tiny electric lights. The dining-room, the hall and reception-room were all elaborately decorated in keeping with the parlor.

Following the ceremony a buffet supper was served in the dining-room and at midnight Mr. and Mrs. Kennedy left on the midnight train for New York, and on Saturday will sail for Europe, making a tour of the principal points of the old country. They expect to be absent twelve months, and on their return will reside in Boston.

The bride is a daughter of Mr. J. C. Carpenter, a leading banker and business man of this section of Virginia. She is highly accomplished, being a full graduate of Hollins Institute, and an especially attractive young lady. She has spent the best years of her life in this city, and is not only popular, but highly esteemed by all who know her acquaintance. She has frequently visited Richmond and is well known and exceedingly popular here.

The groom is a son of the late W. T. Kennedy, of Boston, and is a graduate of Dartmouth College. He met the bride several years ago at Yellowston Park, and the friendship there formed soon grew into love, resulting in their wedding here to-night.

Mrs. Carpenter, mother of the bride, gowning in black lace over taffeta trimmings of white princess lace and carrying a bouquet of white sweet peas, was assisted in receiving by Mrs. Geo. K. Anderson and Mrs. E. Fay Donovan, another sister of the bride, of this city; Mrs. L. M. Gast, of Hinton, W. Va., and Mrs. C. H. Carpenter, of Huntington.

Guests from a distance were present from several points in Virginia, West Virginia, Alabama, Kentucky and Tennessee.

The presents received were numerous, handsome and costly and fully attested the popularity of the bride as well as the groom.

Lajoie
the greatest ball player in the world, after drinking it for years, says that

Coca-Cola
is the ideal beverage for athletes.

See what Lajoie—the great Lajoie—says about Coca-Cola:
"I drink Coca-Cola regularly and have been doing so for several years. It is the most refreshing beverage an athlete can drink. I can make \$10,000 a year playing base-ball while I couldn't make more than 50c. a day at anything else, and I am taking care of myself so that I may be in the game for several years yet to come."

You know, and we all know, that no athlete who expects to get to the top (as Lajoie undoubtedly is) can afford to put anything into his stomach that will not strengthen his nerves, muscles and body, and keep his brain clear and active. Neither can you whether or no you are an athlete. What is good for athletes certainly is good for you—then drink Coca-Cola.

BELL COMPANY RAISES PRICE

Citizens of Bedford City Are Not Pleased—Talk of Annuling Charter.

[Special to The Times-Dispatch.]
BEDFORD CITY, July 10.—Notice was served recently upon users of residence phones by the Bell Telephone Company that after August 1st to all subscribers whose contracts have expired the rate of charge would be changed from \$1.50 to \$2 a month. A meeting of the Board of Trade was held, which was addressed by Mr. E. F. Lindsay, of the Telephone Company, of Atlanta, Ga., who explained the reason for the change of price as due to the two systems for single and duplex, and stated that this place had been getting the single line service for the price of the duplex, and the company found they were losing money and could not continue the service at the same cost. There are a few duplex lines here, and these are charged \$1.50, on which there will be no advance, but all on the single line service and desire to continue the use of the phones will be required to pay \$2 a month. There is considerable interest among the users of residence phones, and about 75 per cent. of them have signified their purpose of discontinuing their use if the increase of cost is enforced.

At a meeting of the Town Council last night the advisability of annulling the charter of the Bell Company and draw a new charter to be offered to the highest bidder and require underground wires to be used was discussed. Mr. W. R. Abbott, Jr., attorney for the Council, will act for that body with the view of annulling the charter, and are awaited with much interest by holders of phones.
